Maximum duration of a boat trip is 10 days.

It is possible to book the trip starting from Gorontalo or Ampana. Our guide will pick your group up at the Airport or meet you at the Hotel we booked for you. The guide will bring you with the public ferry/speedboat to the Island, where you will change to the Togian boat trip boat. For the way back we can book for you ferry cabin, hotel and transfer to the airport if you need. Just ask us for an offer.

Depending on the age of your child, we can offer you a discount up to 50%. Please ask! We will stay with you min. 2 Nights in the only accommodation on Togian Island which offers Family Bungalows (two Room Bungalow connected with a door), the other nights your child will sleep with you in the same room on extra matrasse.

→ Please note: We just offer the Deluxe accommodation (Bungalow with private bathroom, western toilet and shower) for private boat trips. If you want to stay alone in one Bungalow the price will be 30% more.
